

Crafts at the Cathedral layout in Cathedral (revised 4/5/17)

The booths (yellow) are not drawn exactly to scale. All booths are 10 x 10
 No booths are against a wall.

Nave has three rows of 18 booths, two of which are back to back. Booths outlined in red are prime corner booths

Aisles up and down the nave exhibit area are 6 feet wide.
 Additional groups of booths are in crossing area.

Diamond shapes are columns.
